**Welcome to Aptos Apartments V1, a
pioneering PvP Onchain Betting
Ecosystem integrating Token,
NFTs, and RNG Gaming.**

TOKEN & TOKENOMICS

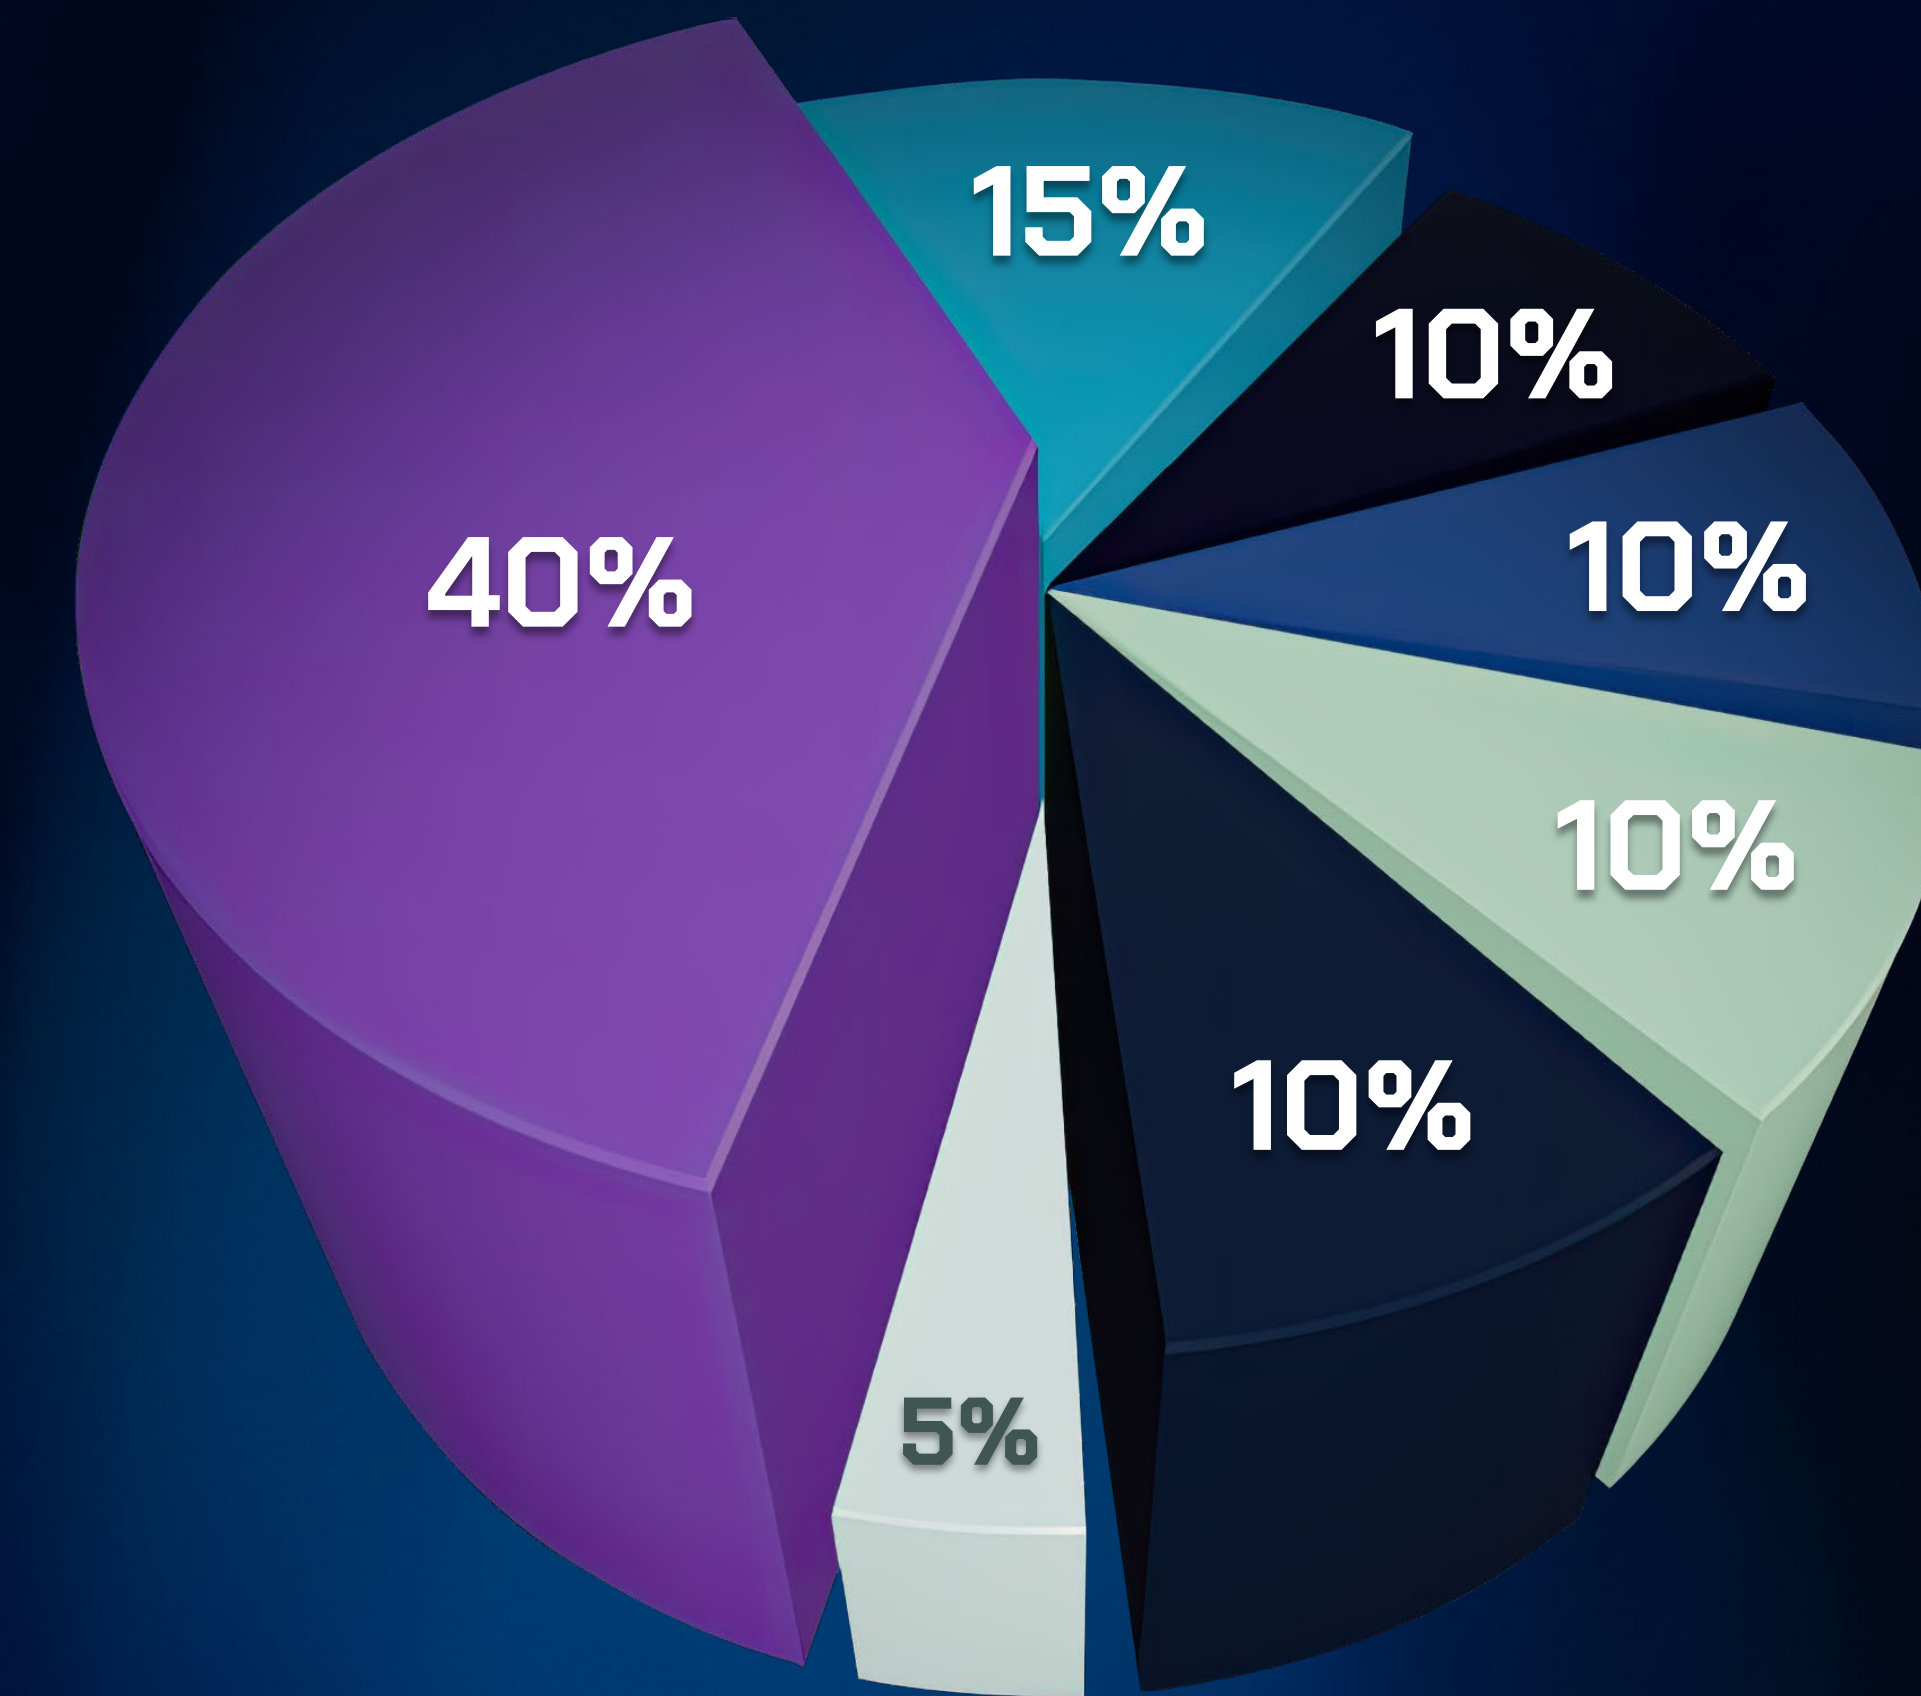

APTOS APARTMENTS

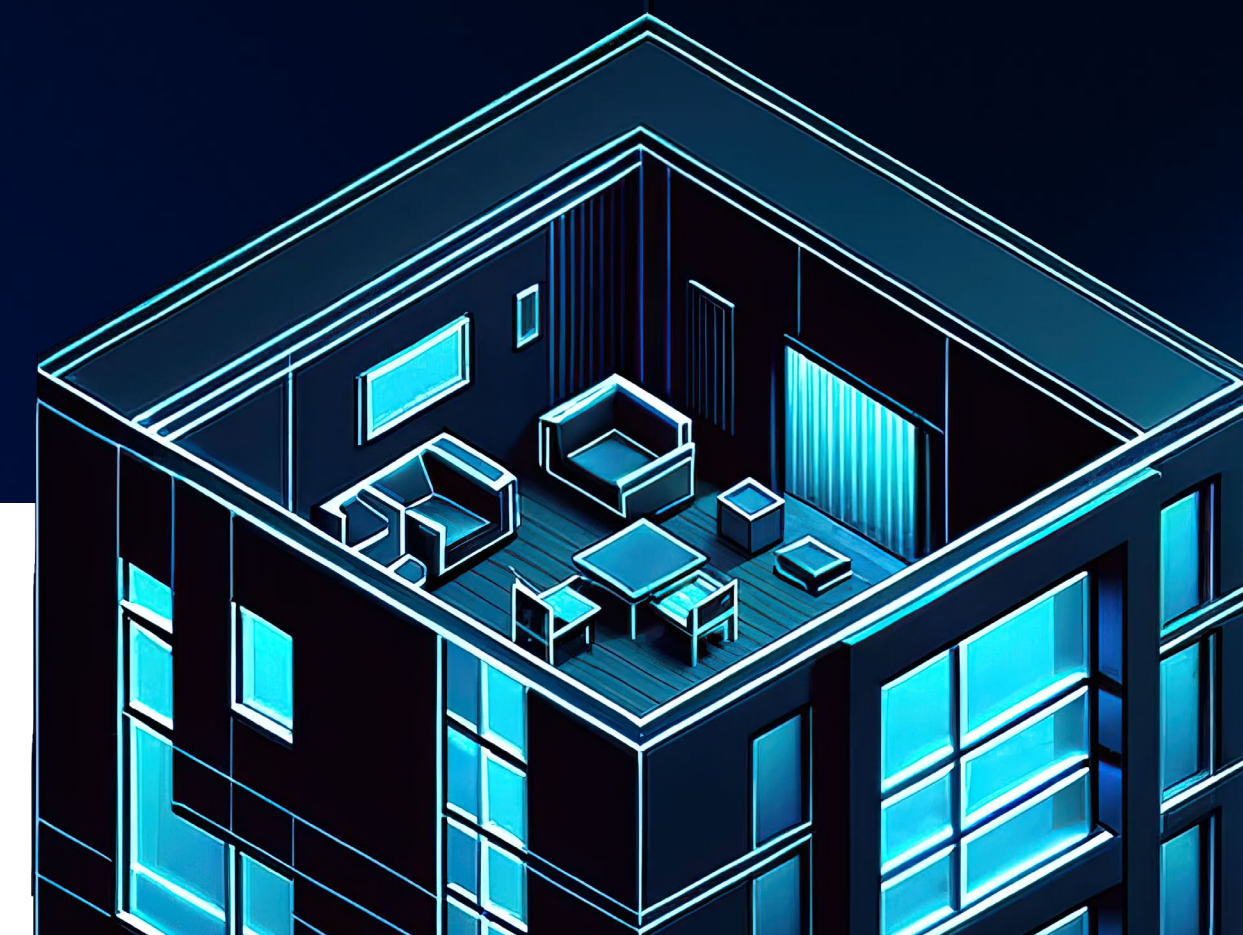

TOKEN & TOKENOMICS

Our ecosystem revolves around the **\$Apartment** token, inspired by the popular Korean meme:
1 \$APT = 1 Apartment.

- 40% BURN
- 15% CONTRIBUTORS
- 10% EXCHANGES
- 10% AIRDROP
- 10% NFT STAKING
- 10% LIQUIDITY
- 5% TEAM

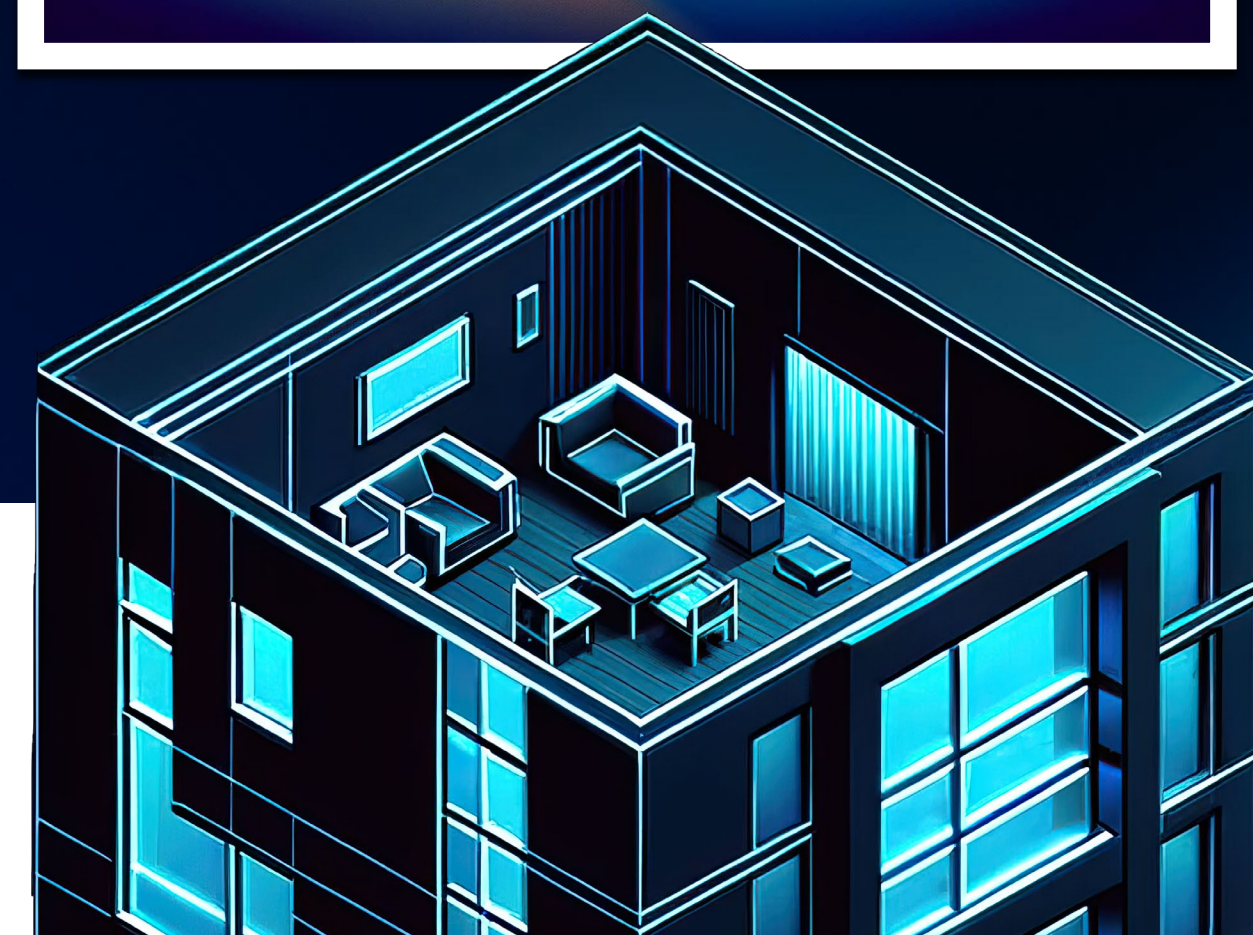

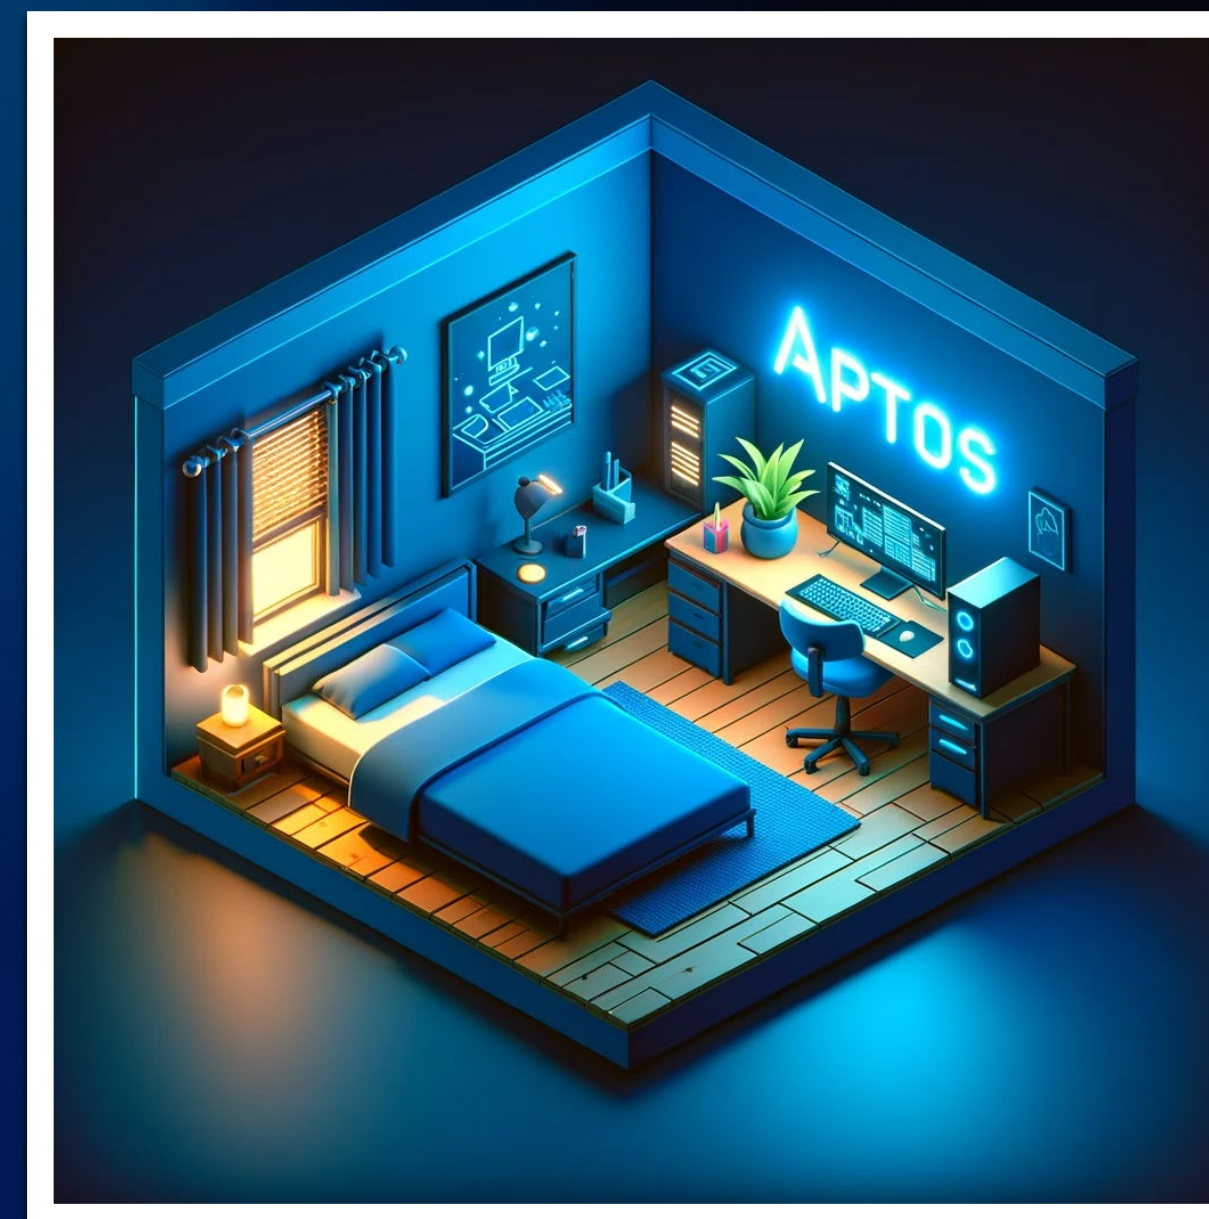

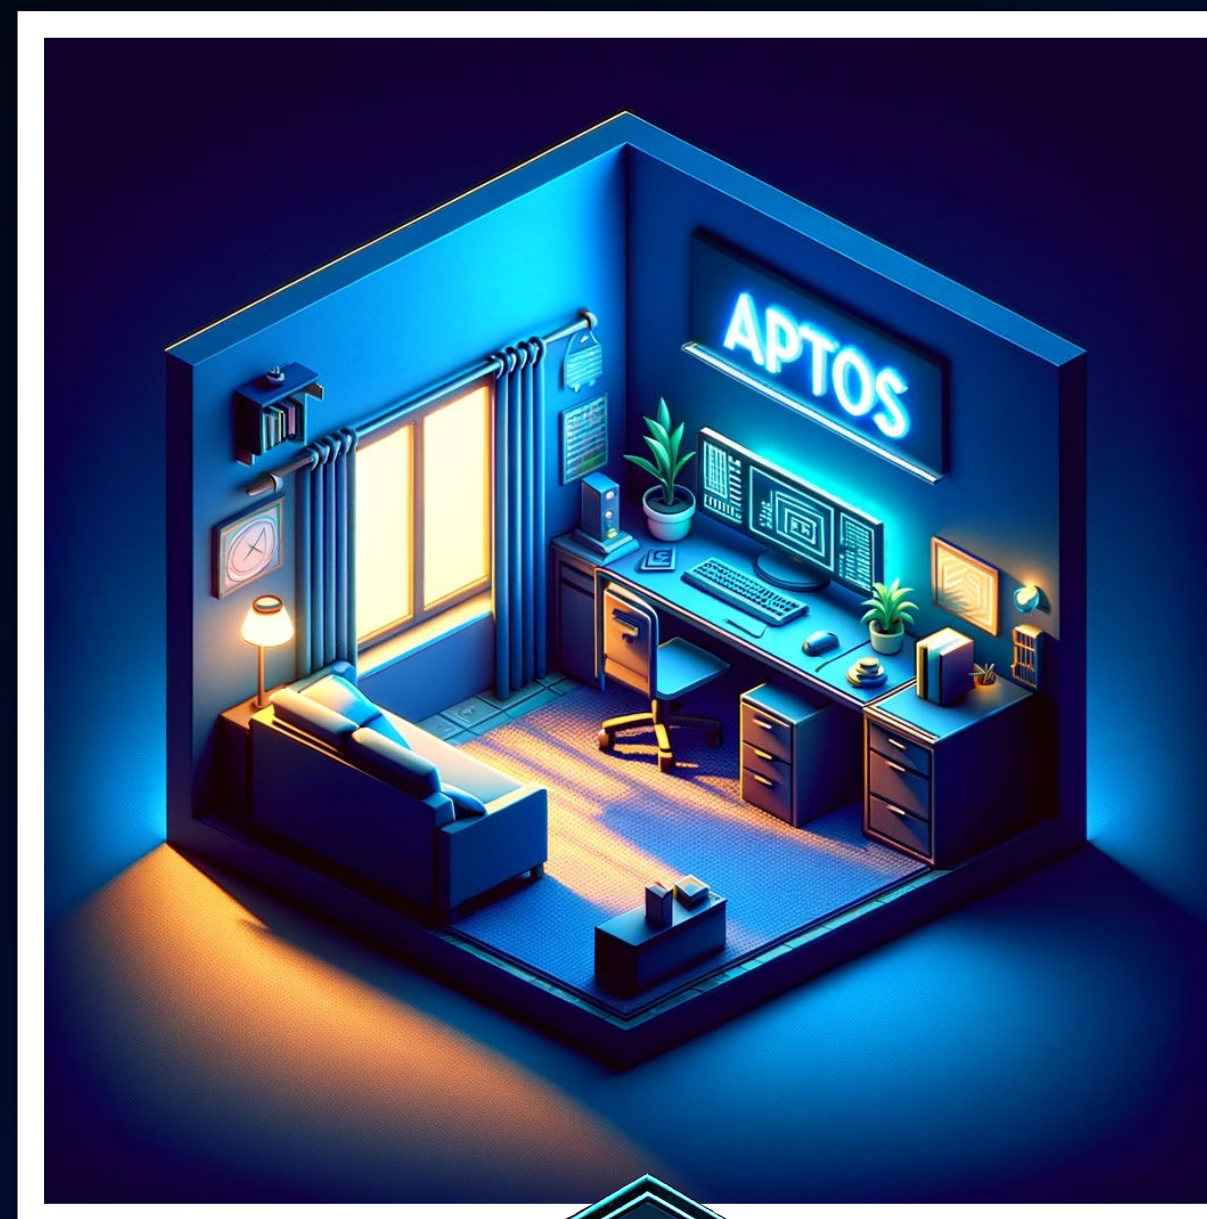

NFTS

NFTs

We've crafted 100 unique Aptos apartments,
each of which can be staked for 'rent'.
This rent yields \$Apartment tokens.

GAMING

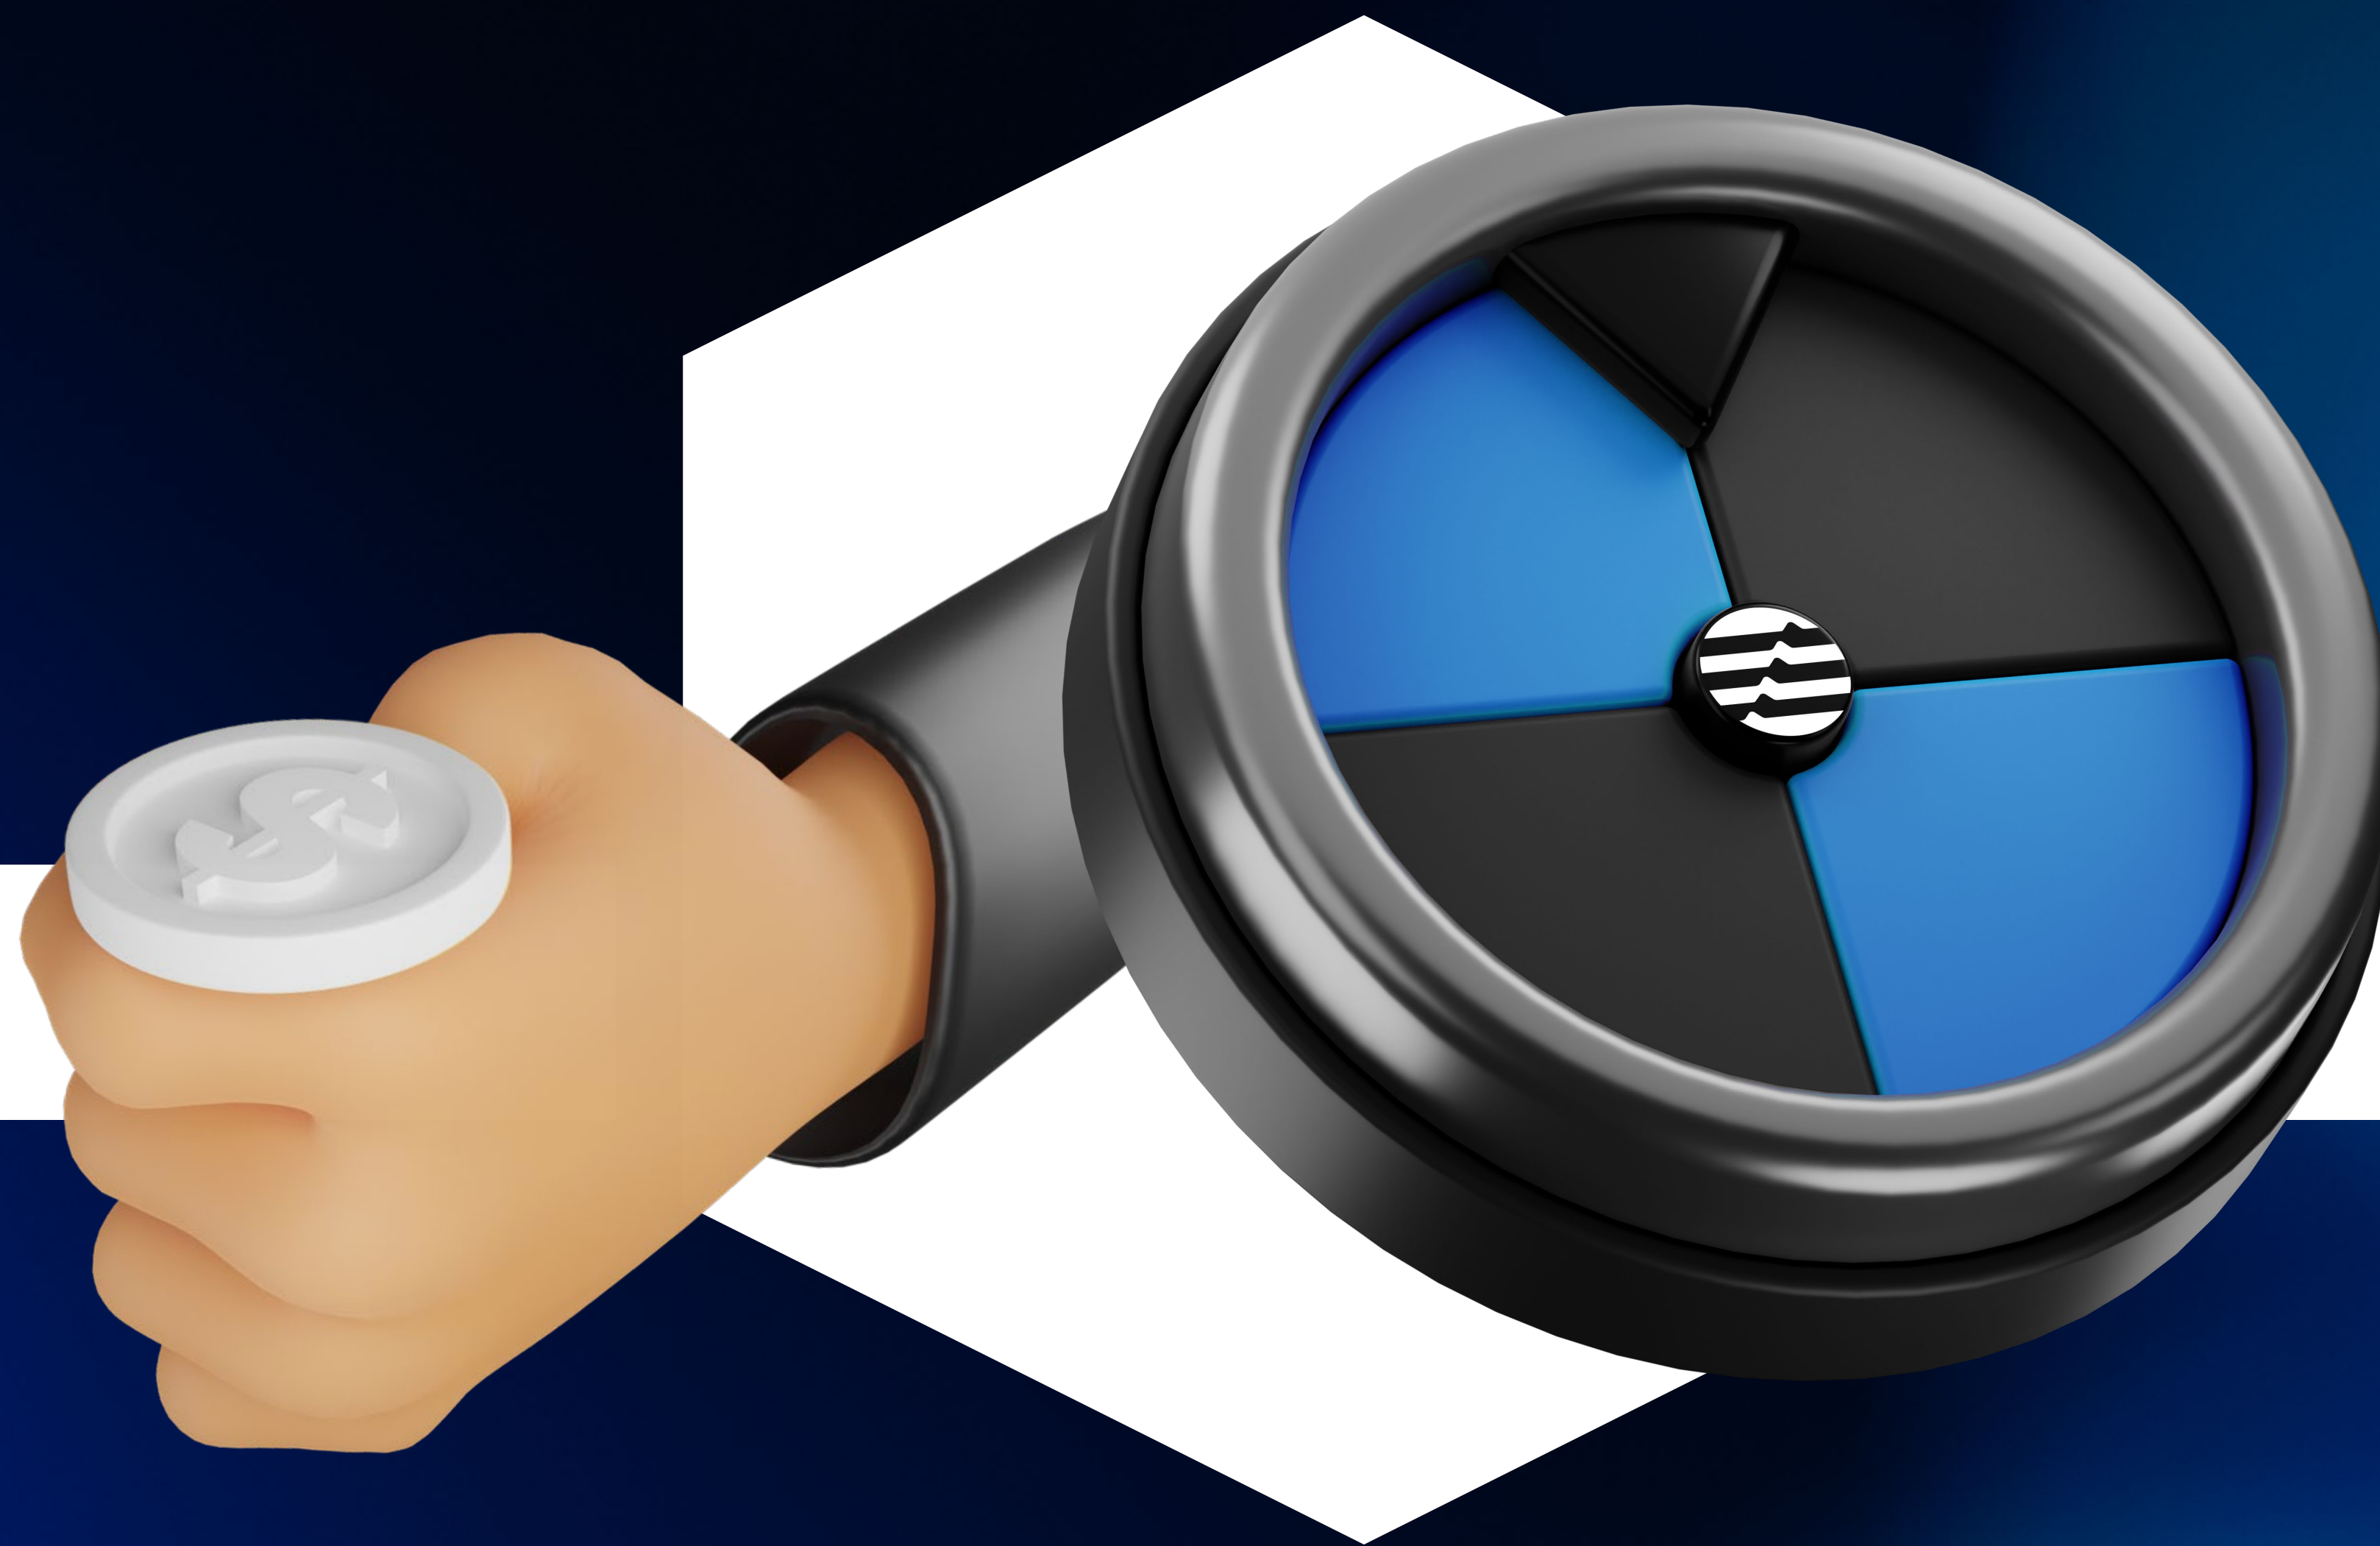

GAMING

GAMING FEATURES

Players bet against each other on the outcome of a coin flip (Heads or Tails).
Cost: **1 \$APT**.
